INFORMATION DISCLOSURE STATEMENT

Dear Sir:

The documents listed on the enclosed forms PTO/SB/08a and 08B have come to the attention of the applicant and are submitted to the Office under 37 C.F.R. §1.97. Copies of the patents and published applications are not enclosed, although applicant will produce them upon examiner's request. (Pre-OG Notices, "Information Disclosure Statements May Be Filed Without Copies of U.S. Patents and Published Applications in Patent Applications Filed After June 30, 2003," from Deputy Commissioner Stephen Kunin, dated July 11, 2003.)

This statement is not a representation that all of the information cited is necessarily effective as prior art against the present application or that a prior art search was performed.

Because this Information Disclosure Statement is filed prior to issuance of the first Office action on the merits, no fee is required. The Commissioner is authorized, however, to charge any fees that may be required by this paper to Deposit Account No. 06-2425. A duplicate copy of this paper is enclosed.

Applicant respectfully requests that the foregoing citations be considered and made of record. It is respectfully requested that the examiner indicate consideration of the cited references by returning a copy of the attached forms PTO/SB/08a and 08B with initials and/or other appropriate marks.

It is noted that the present application is a U.S. National Phase application based on a PCT application in which the Examiner issued a favorable International Preliminary Examination Report. The Applicant allowed the U.S. priority application, U.S. Patent Application Serial No. 10/222,096, to go abandoned while prosecution continued in the PCT application.

Respectfully submitted,

FULWIDER PATTON LEE & UTECHT, LLP
